# WORLD MASSAGE

(1H = 50,000) (1H30MIN = 90,000, 95,000, 100,000)  
(30 MIN = 30,000)

**Californian Massage (1h):..... 50 000**

The Californian massage combines techniques of tapping, kneading, touching and friction. It enhances relaxation of the body and soothes psychic tensions.

Movement: slow, light, effleurage and toning

**Candle Massage (1h):..... 60 000**

The candle massage is a relaxing and stimulating treatment for the senses. The light provided by the wick of the burning candle soothes our spirit and makes the cabin a real cocoon. Added to this is the sweet scent of the candle that takes us on an exhilarating journey.

**Eastern Massage (1h):..... 50 000**

The practitioner unravels and relieves tension. From scalp to soles, the whole body is relaxed contact with hot oil.

**Movement:** slow and enveloping

**Lomi lomi massage (1h):..... 50 000**

The pressure of the forearms and the vigorous movements of the therapist enhances blood and lymphatic circulation in addition to releasing muscle tension throughout the body.

Movement: fluid and vigorous

**Hot stone massage (1h): ..... 60 000**

The action of hot stones on the skin provides the benefits of a mini-sauna combined with a draining, detoxifying and relaxing massage. The stones will be positioned on the sensitive points of the body to provide an immediate relaxing effect, your body will thank you for the virtues of thermotherapy.

**Movement:** effleurage and kneading (with the stones)

**Leg comfort treatment (light leg) (1h):..... 50 000**

A targeted treatment to comfort and relax tired legs, with the key to a visible beautification of the legs.

**Foot reflexology (30 min): ..... 30 000**

Plantar reflexology energizes the body, harmonizes vital functions, releases stress and nervous tension, relieves back tension and many other pains mentioned above, improves blood circulation, brings rest and deep relaxation.

**Deep tissue massage (1h): ..... 55 000**

Sports massage is a well-being massage practiced regularly. Swedish massage strengthens the muscles. It relaxes and soothes sore muscles, it also focuses on tendons and joints. It is therefore an ideal massage when you suffer from body aches!

**Movement:** tonic and kneading

**Pouch massage (1h) ..... 55 000**

Also called “plant massage” this traditional massage combines relaxation and ease.

Benefits:

Much like a hot stone massage, the heat from the ballotins will promote muscle relaxation.

-Your joint pain is relieved

- also promotes good blood circulation.

PS: Perfect massage for people suffering from stress and nervous tension.

**WETLAND: 20 000**

- Hammam
- Sauna
- Jacuzzi

▶ **45 000**
